

Steve Bishop and John H. Kok, "On Kuyper: A Collection of Readings on the Life, Work & Legacy of Abraham Kuyper." Sioux Center: Dordt College Press, 2013.
<http://digitalcollections.dordt.edu/books/4>.

In this volume we have scholars using the Kuyperian framework to critique and develop Christian perspectives on the church, miracles, education, politics, scholarship, fashion, art, science....

Kuyper has been described as a renaissance man, and this renaissance man is certainly undergoing a renaissance. This reader, a collection of articles written on the life, work, and legacy of Kuyper, provides evidence that work on Kuyper and Kuyperianism is alive and well. This book provides an introduction to Kuyper's life and thought through the eyes of others. The breadth and scope of these articles all stand as testimony to Kuyper's desire to see the lordship of Christ extended to every area of life.
