

A Ministry of the Christian Reformed Church

Devotionals in 8 Languages

At ReFrame Ministries, each of our language ministries offer different programs for different cultural and geographical contexts. However, the majority of our local ministry teams find that a short but meaningful devotional of some kind is a great way to focus on God's Word.

Maybe you're looking to share God's Word with someone you know who speaks a different language. Perhaps you're hoping to practice your own language skills with life-changing content. You could simply be curious about what the good news of the gospel sounds like or looks like in other languages and contexts. No matter what, we invite you to explore the links below to find devotionals in 8 of our world's major languages. If you'd like to dig deeper into each language ministry, the links will also bring you to further resources or programs.
